

# WV BlackHills Free Methodist Church Camp

---

Teen Camp - Leader Commitment and Expectation Form

---

Today I am committing to teach, mentor, and influence the youth served by the BlackHills Area Free Methodist Campground and Council. These youth are loved beyond measure and precious to God. How I live before these youth will have a lasting spiritual impact on them which could affect the course of their lives and eternity.

As I step into this role, I am not simply teaching facts or ideas about Jesus. I am representing Him. As I serve, I am called to be the hands, feet, and messenger of Jesus. I am called not only to teach them about the Kingdom of God, but to love them into it with the unconditional agape love of Christ.

I cannot accomplish any of this on my own. I must seek the anointing and empowering of the Holy Spirit. In light of all this, I commit to:

- 1.) Spend time praying for the youth, my ministry at the camp, and for myself to be purified and empowered by God to accomplish His purpose in this ministry.
- 2.) Set aside time each day to spend with God – in prayer, worship, and study. (I understand that it is not the end of the world if I miss a day or two, but I will pursue a better relationship with Him).
- 3.) Actively engage youth in relevant discussions based on God's Word before, during, and after camp. This includes being a positive influence with social media.
- 4.) Put in adequate preparation/study time to be a lead or assist with devotions, classes, or any other function that is necessary to make Teen Camp happen (Including mowing grass, running the store, etc...)
- 5.) Ask for help any time I feel overwhelmed and openly communicate any issues that arise. I will discuss with the appropriate person any issues I may have and do my best to edify my fellow team-members.

I step into this ministry knowing that my help and commitment is deeply appreciated and that my fellow team-members will keep me lifted up in prayer. I am expecting great things.

If, by my own decision or that of the BlackHills Campground Leadership, it becomes necessary that I be removed from my position of service, I will prayerfully and humbly comply. Regardless of any issues that may arise, it is my commitment and that of all team-members that the unconditional love of God and Jesus' call for unity will rule the day.
